Creek News February 2024

Thank you to everyone who attended our Carnival Night dinner. Jeff and his staff did a terrific job and everyone had a great evening. Based on this success, Jeff is already planning the next "special dinner" with details will follow as soon as they are available. Entertainment was provided by DJ Justin Darling who had us dancing into the night.

We had great turnout for the Ravens games during their playoff run. Although it did not turn out the way most of us wanted... The Sand Dollar Staff did a great job handling the surge! Here are the special events for the next few months. More details on March and April events will be provided as they draw closer.

Treasure's Report:

We are hanging in there still have a few more dollars than we have bills to pay. Full Member dues that were payable by Dec 1 are still trickling in. At this point we are down to a little over a dozen that we have not heard from and have not paid. If you have a slip at the club and a dues balance more than 60 days old, you will not receive a slip renewal contract. Please if you are planning on retaining your membership let us know now. If you are not, please let us know that also and we will cease bothering you. March 1st Associate Member invoices and slip renewals at the new rates go out. Please pay early and often!
