Commodore's Report

Happy New Year.

I hope everyone had a great Christmas!! Thanks so much to Jeff and his great staff for the New Year's Eve buffet and celebration we had at the club.

With the holidays now behind us and 2023 now upon us, I'm sure most of us are now looking forward to Spring and getting out on the water to play. In the meantime don't forget we have the 25 year membership celebration this Saturday and the Super Bowl party coming in February.

Sea you at the club

Vice Commodore's Report

We hit the ground running entering 2023! We have restaurant specials, events, and activities planned getting thru the next couple months of winter. Please keep an eye out on our email blasts, Facebook posts, and word of mouth for everything that is going on. We had our 25th Membership Anniversary this past Saturday. It was enjoyable to hear all the past stories and recollections to help create the history of the club and where it is at today. Past Commodore and Head of Activities, Laura Lockwood, did a fantastic job as usually organizing the event.

Super Bowl Party is February 12th. Super Bowl Master Planner Dean Murray has already been working hard to get things set up for the game! Cash squares, buffet, chili cook off contest, and 75" TVs to enjoy the game on! Now, how can you pass any of that up. Make sure you purchase your squares a head of time. The table is filling up fast!

President Jane and the First Mates team have been working hard towards the "Knot Just Nautical Auction". MARK YOUR CALENDERS! The auction will be held Saturday, February 25th from 4:00

to 7:00. The entire team has planned an very eventful night. Last year was an overwhelming huge success and this year won't be anything different from that!

We have made it 6 months with Jeff and the Sand Dollar team and we are only getting started. They have done a tremendous job in provided a consistent pleasurable experience. Please come down and continue to patronize and enjoy what the club has to offer now-a-days. Your continued support as membership is greatly appreciated. Never forget to invite new prospect faces down for a meal and show them what we have to offer so then they will want to join themselves. This is a task for all the membership for continued enjoyment and it benefits towards the success of the club.

If you have any questions or suggestions, Tom, Ann, or myself will be happy to lend out a listening ear. We encourage feedback. If we don't know when something is amiss, we can't have the opportunity to make adjustments so it's corrected!
