**Fellow Members:**

Boating season is rapidly approaching and many members have signed up for the cruises. I would encourage anyone interested in joining the group, either with your boat, or catching a ride and getting local accommodations to act now. These weekends are so enjoyable and provide the opportunity for extended fellowship. Don't hesitate and run the risk of the marinas and hotels being sold out!

Pool Committee

HELLO, is this weather great or what! We are asking for volunteers for the pool committee this season. The pool is checked 3x a day (morning, midday and evening) 7 days a week and we need to have many volunteers to keep it running smoothly and to stay open! We have had a great turnout the past couple of years with awesome volunteers and I look forward to this year being the same. The checks only take 5-10 minutes and we will train you, it's very simple. If you are hanging at the pool, you can do a check while you're there! Please consider being a part of our awesome team, we have a lot of fun at the pool and we can't do it without you! Contact me or one of our CPO's (Certified Pool Operator) listed below.
