Fleet Captain's Report

With the final weekend trip in the books, I would like to thank everyone who participated and made the season a very enjoyable one. Next up... The Christmas Boat Parade scheduled for Saturday November 25th to benefit Toys for Tots. Details to follow, but I would like to ask all boaters to please consider participating in the parade this year. It is a lot of fun and provides a great opportunity for the community to gather to kick off the holiday season! From the pure joy on the faces of the kids (of all ages) as we make the loops around the harbor, to the house parties along the river that come out to enjoy and support this event and wrapping up with a party back at the club. The Toys for Tots collection boxes will be out starting in October, and I know the WYC will provide the overwhelming support that we always do!  
Boaters, please contact me if you are joining us for this great event.

**First Mates Report:**

**Happy September from the First Mates!!**

**Poker Run:** Our second poker run of the season will take place on Sunday September 10th. For those of you new to Poker Runs...We assemble at the club around noon to purchase your hand for \$10, and you may buy multiple hands. You may also buy an additional card when you are registering for an additional \$10. You then get on board your boat, prompt start time of 1:00, and proceed to four stops along the river where you will pick a card and that starts your hand. At that stop there will also be an adult beverage/shooter. You will proceed to the next stop of your choice and draw and shoot again, until you have gotten all four cards and the fifth card to be drawn back at the club. If you got a sixth card, that too will be drawn at the club at the end of the run. All participants must have drawn their last card at the club by 4:00 pm sharp. The best hand wins the pot.

**Club Improvements:** We know that no one has ever complained about the noisiness of the club, right? We are getting quotes for panels on the bar side. We have installed panels on the dining room side and have noticed a difference and hopefully we can do the same on the bar side. If you have any suggestions regarding club improvements or items for the wearables committee to order, please email me at [jseagraves2020@gmail.com](mailto:jseagraves2020@gmail.com) or come to our next committee meeting on September 11, 2023 at 6:00, in the club house. Please come join the First Mates Club to get involved to see how you can help, we'd love to have you and dues are only \$20 per year!!

See you at the Club,

Pool Committee

What a great pool season we had this year! Thank you to all of our awesome volunteers, we couldn't be open without you! The pool will stay open the next 2 weeks, closing on Sunday 9/17/23 so come on down and enjoy it while you can. Since it is getting dark quicker now, the pool will close at 7:00pm. Please consider being a part of our fantastic pool committee next year! With the pool being run on a volunteer basis, we need your help! Please contact me or one of our CPO's (Certified Pool Operators) to sign up or with any questions you may have. The pool checks are easy to do and we have a lot of fun.
